## California Proposition 65 Statement

Extruded ACRYLITE® Products:  
Flat Sheets, Multi-Skin,  
Wave Profile, Rods and Tubes

Date	March 20, 2020
Contact	David Morrison
Phone	207-490-4355
Email	david.morrison@roehm.com
Address	Roehm America LLC 1796 Main St Sanford ME 04073

Roehm America LLC continuously evaluates its products to determine if they contain chemicals listed under the California Safe Drinking Water and Toxic Enforcement Act of 1986, known as Proposition 65. The California Office of Environmental Health Hazard Assessment maintains a list of health hazard chemicals at: <https://oehha.ca.gov/proposition-65/proposition-65-list>.

Whether there is a change to the Proposition 65 list of chemicals or we change the raw materials in our products, we will update our customers about Proposition 65 listed chemicals in our products pursuant to the law or with guidance issued by the California Office of Environmental Health Hazard Assessment.

Roehm America LLC is a manufacturer of products selling to other businesses in a multi-layered supply chain (importers, packagers, distributors, suppliers, other manufacturers) for a product that may eventually be found in a retail setting in California. If a warning is required, we provide to our customers a warning notice and warning materials. Our customers and others in the supply chain must take actions appropriate under the law to ensure that these warnings are passed along to any retailer and ultimately a retail customer (if that is the ultimate end use of a product).

The extruded ACRYLITE® products in Table 1 do not require a warning when sold in California. Warnings are required on the extruded ACRYLITE® products listed in Table 2. If you retail these products in California, you must acknowledge receipt of this notice, and are responsible for placement and maintenance of the warnings. Please contact us for appropriate warning stickers.

California consumers of ACRYLITE® Reflection Mirror products must receive a "clear and reasonable" warning prior to exposure. The warning must appear as shown below:

 **WARNING:** This product can expose you to chemicals including n-methylpyrrolidone, which is known to the State of California to cause birth defects of other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
