

## California Proposition 65 Statement

### ACRYLITE® Products

Date: 1 January 2024

Roehm America LLC continuously evaluates its products to determine if they contain chemicals listed under the California Safe Drinking Water and Toxic Enforcement Act of 1986, known as Proposition 65. The California Office of Environmental Health Hazard Assessment list is at: <https://oehha.ca.gov/proposition-65/proposition-65-list>.

Roehm America LLC imports or manufactures products sold to other businesses in a multi-layered supply chain; we do not sell directly to consumers in California. Our customers and others in the supply chain must ensure our warnings are passed to retailers in California. More information at <https://www.p65warnings.ca.gov/businesses>

The **ACRYLITE®** products in Tables 1, 2, 3, and 4 do not require warnings when sold in California. Warnings are required on **ACRYLITE®** products listed in Table 5. If you retail products listed in Table 5 in California, you must acknowledge receipt of this notice, and must place and maintain warnings at the point of purchase.
